

Beginner Phonics

Set-up/Introduction (5 mins)

Students are welcomed to the lesson and answer introductory questions

Review (5 mins)

The content is contextualized by reviewing and focusing on any areas of difficulty identified in previous lessons

Board Work (10 mins)

Students are introduced to and taught the target letter name, sound and relevant vocabulary words with stimulating visuals and memorable songs

Writing Practice (5 mins)

The correct letter formation is demonstrated and students practice independent letter writing where their fine motor skills are developed

Listening Practice (15 mins)

Students are guided through sound identification and differentiation tasks that develop their abilities to listen for the starting sound in words

Spelling (15 mins)

Students are tested on their abilities to identify the starting sound in words and write the relevant letters

Conclusion (5 mins)

Students recap what was covered in the lesson to reinforce what they've learned before being dismissed

Intermediate/Advanced Phonics

Set-up/Introduction (5 mins)

Students are welcomed to the lesson and answer introductory questions

Board Work (10 mins)

Blends/advanced sound combinations are introduced and drilled with students and the correct pronunciation is checked by building relevant words on the board

Reading (10 mins)

Students develop their fluency and pronunciation as they read engaging stories where the relevant blends/advanced sound combinations are highlighted

Listening (15 mins)

Sound identification and differentiation tasks are conducted that develop students' abilities to listen for specific blends/advanced sound combinations

Spelling (15 mins)

Students are tested on their abilities to identify blends/advanced sound combinations and write entire words

Conclusion (5 mins)

Students recap what was covered in the lesson to reinforce what they've learned before being dismissed
